Bradford-White Forty Gallon Electric Water Heater A-Plumbing

If there's one major household appliance you don't want to be without, it's a water heater. If the one in your house is showing its age, why take a chance on it breaking down?

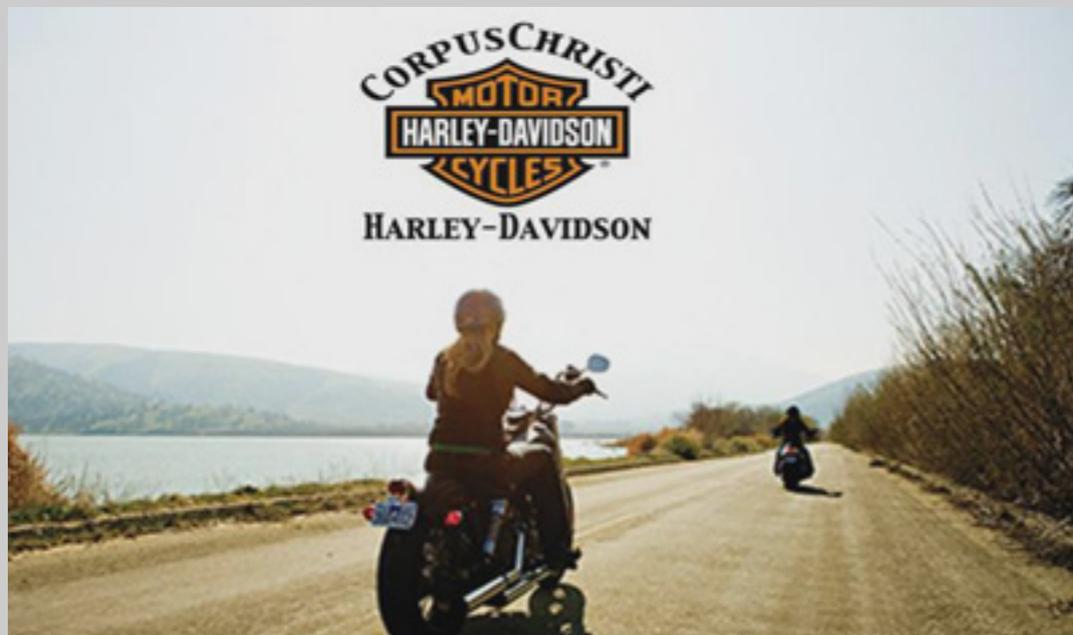

Listen to this offer from A-Plumbing. It's a Bradford-White Forty Gallon Electric Water Heater, valued at one thousand, five hundred and eighty-seven dollars.

This American-made, high end model is manufactured by Rheem. It has an energy rating of point-ninety-two, or ninety-two percent. It also has a one hour rate of fifty-six gallons, for a total use of eighty-six gallons—that's a lot of hot water. It comes with a six year warranty.

A-Plumbing will even install the new water heater, as well as drain and remove the old water heater, and recycle it for new products. A licensed and insured plumber will perform the installation, and will meet with all current plumbing codes. If necessary, the Bradford-White heater will be installed on a galvanized steel stand, with a plastic water heater pan and drain.

The high bidder must have an existing electric unit. This item must be used by May 11, 2014.

Well, what are you waiting for? Get this Bradford-White Forty Gallon Electric Water Heater, donated and installed by A-Plumbing. It's valued at one thousand, five hundred and eighty-seven dollars.

One MRI Visit with or without Contrast Corpus Christi MRI Center

A unique but important item that will interest a lot of people.

The Corpus Christi MRI Center has donated an MRI with or without contrast. The value of this item is one thousand, nine hundred and twenty-eight dollars.

MRI stands for magnetic resonance imaging. Put simply, it's an imaging tool that does not use radiation, and provides the best imaging of the anatomy—especially musculoskeletal and neurological studies.

An MRI visit can evaluate MS. It can be used with preventative care for cancer. It can also provide information on chronic neck and back pain, sports injuries, and migraine headaches.

This item is for MRI of one body part and/or one modality. A physician's prescription is required. This item is non-refundable and non-transferable. This item must be used by April 4, 2014.

If you or someone you know needs MRI but has no insurance, or has insurance with a high deductible, this item may be the answer you've been looking for. Thanks to Corpus Christi MRI Center—which uses Blue Star Radiology, the radiologists of the Dallas Cowboys—for an MRI with or without contrast, valued at one thousand, nine hundred and twenty-eight dollars.
